INFORMATION STATEMENT

Action by Written Consent of Shareholders

GENERAL INFORMATION

**WE ARE NOT ASKING YOU FOR A PROXY,
AND YOU ARE REQUESTED NOT TO SEND US A PROXY**

This information statement is being furnished in connection with the action by written consent of shareholders taken without a meeting of proposals to approve the actions described in this information statement. We are mailing this information statement to our shareholders on or about December 12, 2018. No action is requested or required on your part.

What action was taken by written consent?

We obtained shareholder consent to the following action:

- The approval of the Amended and Restated Articles of Incorporation (the "Restated Articles") of the Company, a copy of which is included as Appendix A to this information statement.

How many shares of common stock were outstanding on the date that we received shareholder approval?

On December 10, 2018, the date on which we received consent for the above item, there were 14,130,417 shares of common stock, par value \$0.001 per share, outstanding.

What vote was obtained to elect directors and to approve the other proposals described in this information statement?

We obtained the consent of the holders of 10,500,000 shares of common stock, representing 74.3% of our outstanding common stock, on December 10, 2018. As a result, we have obtained all shareholder approval necessary under Florida law for the approval of the Restated Articles. The consent was given by Natalia A. Lopera and Lawrence Biggs.

Who is paying the cost of this information statement?

We will pay for preparing, printing and mailing this information statement. We estimate our legal, transfer agency, printing, mailing and related costs associated with this information statement will be approximately \$10,000.

Are we sending separate copies of this information statement to different shareholders who have the same address?

We send only one annual report, information statement or notice of Internet availability of proxy materials, as applicable, to any household at which two or more of our shareholders reside if they appear to be members of the same family and we have not received contrary instructions from an affected shareholder. This procedure, referred to as householding, reduces the volume of duplicate information shareholders receive and reduces mailing and printing expenses for us. Accordingly, one information statement will be delivered to multiple shareholders sharing an address, unless contrary instructions are received from one or more of such shareholders. Upon receipt of a written request at the address noted above, we will deliver a single copy of this information statement and future shareholder communication documents to any shareholders sharing an address to which multiple copies are now delivered.

When will the above action become effective?

This information statement is first being mailed or furnished to our shareholders on or about December 12, 2018 and the actions described in this information statement will become effective on or about the 20th day thereafter.
